

## **Richard Hausmann appointed as Elekta's President and CEO**

STOCKHOLM, April 13, 2016 – Elekta's (EKTA-B.ST) Board of Directors has appointed Richard Hausmann, to lead the company effective June 10, 2016. He will succeed Tomas Puusepp, current President and Chief Executive Officer.

Laurent Leksell, Elekta's founder and Chairman of the Board of Directors, says: "Richard Hausmann joins us with nearly three decades of experience in the medical device industry. He led GE's Magnetic Resonance (MR) division as President and CEO, served as President and CEO of Siemens computed tomography (CT) and worked at Siemens in leading positions in its MR business. He also acted as CEO of Siemens China, responsible for the company's entire portfolio in its core emerging market. Richard has a solid track record of bringing clinical innovations to the global health care market and is known for his deep insights into customer and patient needs, with a strong outcome orientation."

He adds: "The board is grateful to Tomas Puusepp, who reassumed the position as Elekta President and CEO in May 2015. He will continue as a working board member for Elekta from June 10."

Richard Hausmann says: "I very much look forward to joining Elekta and the opportunity to contribute to its remarkable track record as the leading innovator in radiation oncology and neurosurgery. I am excited about Elekta, a customer and patient focused company, and its offering of advanced clinical solutions."

Hausmann has a doctorate in physics from the University of Regensburg.

Richard Hausmann will join May 1, 2016 and take over as President and CEO on June 10. His CV and photos are attached to this press release.
