

## **NUMBER OF SHARES IN ELEKTA AS OF MARCH 31, 2008**

### **PRESS RELEASE**

Stockholm, Sweden, March 31, 2008

According to legislation, all publicly listed companies must – if the number of shares has changed during the month – publish the total number of shares in the company on the last trading day of the month.

During March, 135,222 new B shares were issued in Elekta through the exercise of warrants distributed within the framework of the established option program.

Also during March, 1,630,871 B shares out of Elekta's treasury holding were cancelled, in accordance with the decision by the Annual General Meeting on September 25, 2007.

The total number of shares in Elekta as of March 31, 2008, amounts to 92 408 867 divided between 3,562,500 A shares and 88 846 367 B shares.

One Series A share entitles the holder to 10 votes and one Series B share to one vote.

Elekta's current holding of own shares (treasury stock) amounts to 951 300 B shares, repurchased during January and February 2008. The Board intends to propose to the next AGM that also these shares should be cancelled.
