

## **ELEKTA INVESTOR MEETING, 22 SEPTEMBER 2008**

Stockholm, Sweden, July 17, 2008

**In conjunction with ASTRO, the American Society for Therapeutic Radiology and Oncology, 50th annual meeting to be held in Boston on September 21-25, Elekta will arrange an investor meeting on Monday, September 22 to start at 2 p.m. EDT.**

Elekta invites analysts and investors to a meeting with the objective to provide information about the company's current focus areas and product portfolio. Participants from Elekta will include Tomas Puusepp, President and CEO, Åsa Hedin, EVP Neuro & Stereotactic Systems, Dee Mathieson, SVP Business Line Management Oncology Solutions, and Jay Hoey, EVP Software Systems.

Please save the date September 22, 2008 in your calendar. A separate invitation with more detailed information will be sent out well before that date.

For information about registration to ASTRO to be held at Boston Convention and Exhibition Center, Boston, please visit [www.astro.org](http://www.astro.org).

Investors and analysts who want to attend Elekta's investor meeting are kindly requested to give notice by e-mail to [ir@elekta.com](mailto:ir@elekta.com).

### **About Elekta**

Elekta is an international medical technology group, providing oncologists, radiation therapists, neurosurgeons and many other medical specialists with state of the art tools to fight serious disease.

Elekta provides advanced clinical solutions, comprehensive management and information systems as well as services for improved cancer care and management of brain disorders.

Elekta's systems and solutions are used in over 5,000 hospitals around the world. Clinical and information management solutions include, among others, Leksell Gamma Knife® for non-invasive treatment of brain disorders, Elekta Axesse™ and Elekta Synergy® for stereotactic and image guided radiation therapy and radiosurgery as well as the MOSAIQ™ suite of software for image-enabled EMR and efficient management of clinical and patient data.

With around 2,500 employees globally, the corporate headquarter is located in Stockholm, Sweden and the company is listed on the Nordic Exchange under the ticker EKTA. More information about Elekta can be found at [www.elekta.com](http://www.elekta.com).
